Notice of connection method for CMAXS new server.

Dear CMAXS Users,

We sincerely appreciate your continued support.

Regarding the update process for each CMAXS service, we would like to provide you with further information

- ① Go-Global Version Upgrade
 - A) Please uninstall your current Go-Global.
 - B) Please download Go-Global from the following URL.
 URL:https://www.cmaxs-portal.com/index.php/en/notice/news/cmaxs-3-2-2-2-2
 - C) Double click "AppController.AllUsers.exe (See Figure 1)" file to install new version.
